NEW! **PARMETHEUS™** SERIES

LED lighting is the ideal technology for aviation applications. Whelen LED lights are time and field-tested for reliability and long-life performance under the tough conditions required by Fire, Emergency, DOT and Law Enforcement professionals around the world.

Parmetheus PAR36 LED lights are a drop-in replacement for outdated Halogen or HID lamps. Lightweight, Low-current and moisture resistant, they provide stable light output for thousands of operating hours.

Features

- Assembly will fit in all locations where a PAR36 Lamp is utilized.
- Power wires attach to brass screw terminals (same as PAR Lamp).
- Stable light output for thousands of trouble-free operating hours.
- Weight is virtually identical to PAR36.
- Metal, heat dissipating, coated back shell.
- Polycarbonate, replaceable, hard-coated outer lens.
- Light output stable over thousands of operational hours.
- Best available solution for 100 Halogen PAR Lamp replacement.
